

FOUR HEAD VFFS PRIME

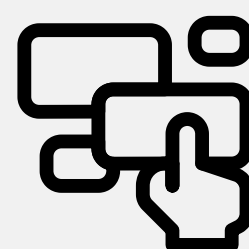

**High Production
Output**

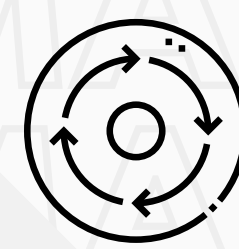

**Limited
Weight Variants**

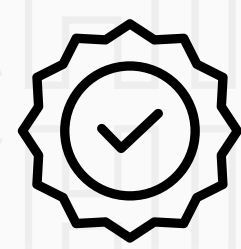

**Hygienic & Safe
Design**

**Easy to
Operate**

**Consistent
Quality**

**International
Standards**

The Four Head Pouch Packing Machine delivers exceptional speed and accuracy, making it ideal for high-volume packaging operations. Equipped with advanced multi-head weighing technology, it ensures precise filling, reducing material waste and enhancing efficiency. Its user-friendly design allows for quick changeovers between different pouch sizes and styles. Built for durability and performance, this machine is a valuable asset for any production line seeking reliability and cost-effectiveness.

The Four Head Pouch Packing Machine specializes in high-speed, precise filling and sealing of pouches, making it perfect for a variety of products in diverse industries.

The Four Head Pouch Packing Machine is ideal for packaging products such as **snacks, coffee, grain porridge, free flow items and resealable pouches.**

Easy to Operate

Designed with simplicity, our machine features an intuitive smart interface and straightforward controls, ensuring easy operation for all experience levels.

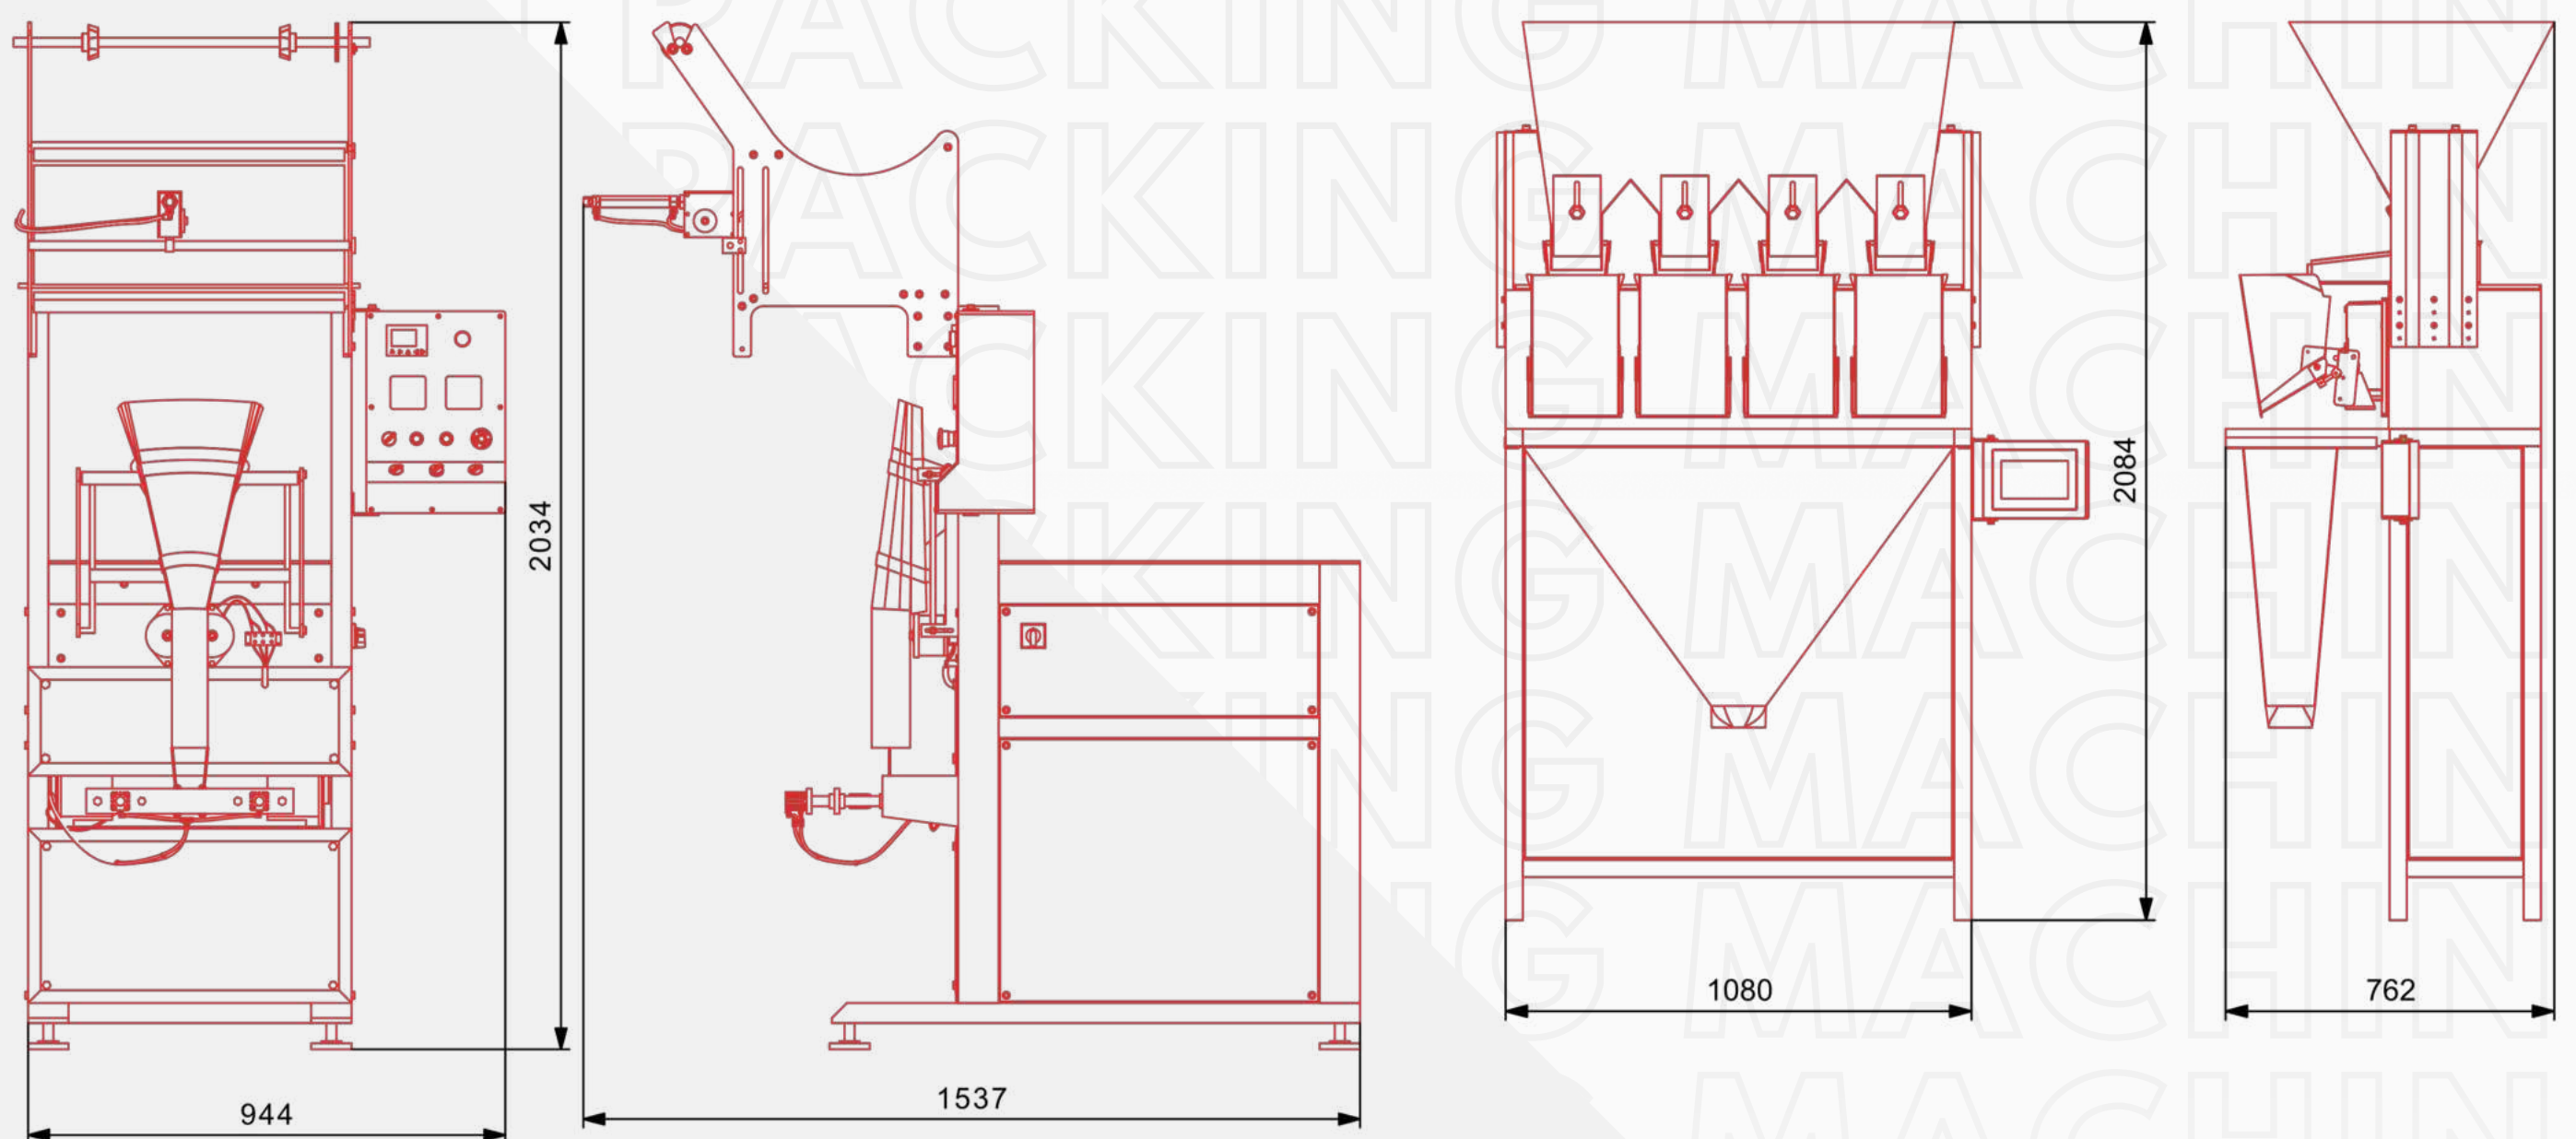

Easy Maintenance

With a focus on convenience, our machine is engineered for easy maintenance, featuring accessible components and straightforward service procedures.

Rapid Tech Support

Benefit from our 24*7 rapid tech support, offering prompt assistance and solutions to minimize downtime and keep your machine running smoothly.

DIMENSIONS

TECHNICAL SPECIFICATIONS

Hopper Capacity	20 Ltr (Depend On Product)	Contact Part	Stainless Steel
Filling System	Weighing Scale	Air Compressor Required	3 HP
Sealing Type	Center Seal	Air Required	6 - 7 Bar
Packing Material	Laminated Heat Sealable Film	Power	1200 W (220v AC)
Quantity to be Pack	5 Gram To 500 Gram	Batch Type Coding	Pneumatic Batch Coding
Output Speed	25 - 30 Pouch/Min (Depend on Product)	Printing Area	35 mm x 35 mm
Machine Weight	650 Kg (Approx)	Operation	Pneumatic & Electronics, Fuji Make
Structure	M.S. Duly Powder Coated	Pneumatic	SMC Make
		Error In Weight	+ /- 1%

*The above mentioned values are indicative and can be modified at any time at the discretion of the company.
